

WINTER STORM PREP:

Your Home Emergency Prep Kit

Add these Winter Supplies to your Home Emergency Preparedness Kit:

1. Organic, salt-free de-icers or kitty litter to melt ice on sidewalks and walkways
2. Sand to improve traction on your driveway
3. Snow shovels and other snow removal equipment for your home or car
4. Adequate clothing and blankets to keep you warm
5. Sufficient supply of propane for your heating needs. Don't wait until the first storm arrives to get a delivery
