

ABOUT BLOSSMAN

Propane is a naturally safe, clean energy source that is used in millions of homes. For more than 67 years, Blossman Gas & Appliance has been providing comfort to families throughout the Southeast, growing to over 76 branches. The family-owned company sells more than 82 million gallons a year and offers a full variety of ranges, cooktops, water heaters, generators, gas logs, and gas grills. Blossman is a full-service company that provides everything from propane delivery to appliance sales, installation and service. “Blossman Gas exists for the benefit of its employees and the success of the company depends upon our employees rendering a superior service to our customers.” E.W. “Woody” Blossman, Founder, Blossman Gas, Inc.

“For almost 70 years, Blossman Gas has been providing the comforts of gas to thousands of valued customers. We work with each individual, family and business to understand their needs and deliver the best solution at the best price. Blossman Gas is the largest family-owned propane business in America. We offer the competitive pricing and reliability of a large corporation, but maintain the dedicated customer service and family values of a small company.” Stuart Weidie, Blossman Gas President and CEO
