

BLOSSMAN GAS LEADERSHIP

STUART E. WEIDIE, PRESIDENT AND CEO

Stuart Weidie is the president and CEO of Blossman Gas, Inc., the largest independent propane company in the nation; and president of the nationwide autogas fueling network, Alliance AutoGas. Weidie has served in many leadership roles with national propane associations, most notably the Propane Education and Research Council (PERC) and the National Propane Gas of America. Through his work with Alliance AutoGas, Weidie leads the movement to power America's fleets on autogas, the world's most widely used alternative fuel. He is a widely-acclaimed speaker on the benefits of propane for fleet, residential and commercial use. He holds a BA from the University of New Orleans and an MA degree from the College of William and Mary. Weidie started his career with Blossman Gas, Inc. in 1991 as a "management trainee" working his way up through the ranks to his current position as President in 2001. He is the third generation of the Blossman family to lead the company.

DAVID M. REYNOLDS, CHIEF OPERATIONS OFFICER

In 1983, David graduated from Tulane University and after working in the consumer finance field, he began his career at Blossman Gas in 1985 as Assistant Branch Manager in Biloxi, MS. He has held various positions in Blossman Gas including Company Treasurer, Director of Supply, Chief Financial Officer and currently serves as Chief Operations Officer. As an active member of the propane industry, David has served as Vice-Chairman of the Research, Technology and Development Committee of the Propane Education and Research Council and is a member of the National Propane Gas Association Supply and Infrastructure Committee. He serves on the Board of Directors of the Boys and Girls Club of Jackson County, MS, in addition to his work with numerous foundations associated with the Ocean Spring, MS school district. He and his wife Tracy reside in Ocean Springs, MS and have three children.

RANDALL R. DOYLE, CHIEF FINANCIAL OFFICER

Randy has over 35 years of experience in the propane industry beginning in 1981 with MAPCO/Thermogas. He has been a leader in the National Propane Gas Association (NPGA) for over 20 years having served as Chairman of the Benchmarking Council, Member Services Committee and insurance task force. He is a member of the NPGA Board of Directors as District Director for MS, AL and TN. Randy currently serves on the Propane Education and Research Council's Executive Committee as Treasurer. Randy is active in the Mississippi Gulf Coast community currently serving on the hospital Board of Trustees, Salvation Army board of advisors, church eldership, and past Chairman of the Blossman Family YMCA. Randy earned his bachelor's degree in accounting from the University of Cincinnati, and an MBA from Oral Roberts University. He is a CPA.

TODD M. REINKE, VICE PRESIDENT, ADMINISTRATION

Todd Reinke currently serves as the Vice President of Administration for Blossman Gas. Prior to joining the company, he spent several years gaining operations and administrative experience in the transportation/logistics industry with a Fortune 100 company. During his tenure with Blossman, he has held various positions, including Branch Manager, Area Manager, Regional Vice President and Vice President of Human Resources, all of which led to his current role. When he is not at work, Todd enjoys spending his time outdoors with family and friends. He holds a BS in Business Management and an MBA from the University of New Orleans. During his career, he has been actively involved in supporting both the United Way Campaign and the American Cancer Society.
